Independent Travel To Skyros

There is an option to travel independently to Skyros via the ferry. You would need to make your way to Athens bus station and take the Kymi public bus from KTEL Evias, 260 Liosion Street.

At the coach station go to the desk that says KYMH and buy a ticket to Skyros. Go to the coach that has the sign at the front saying Skyros. If in doubt ask if its for Kymi Paralia (Kymi beach). There is only one bus that leaves approximately 3 hours 45 minutes before the scheduled ferry departure.

After 90 minutes the bus makes a brief stop at Chalkida bus terminal. There are toilets there beside the café but be advised the stop is very short. The coach will take you to the port where you can buy a ticket for the ferry to Skyros.

On arrival into Skyros, book a taxi from the ferry port to your destination (taxi will need to be booked in advance). The Skyros island ferry timetable for summer 2018 can be found if you visit www.sne.gr.
